QUESTION: Are Evaluation Factors #6 - Safety Strategies and #7 - Local Knowledge included within the three page Project Approach limit, or may additional pages be used to address these factors?

ANSWER: Evaluation Factors #6 and #7 do not provide for additional pages beyond the page limits established in the Electronic Response Instructions. Consultants may address these evaluation factors within the applicable sections of their Response. Section 7 - Project Approach remains limited to three (3) pages. No additional pages are authorized specifically for Evaluation Factors #6 or #7.
