Dear Mr. Lawrence:

The Kentucky Division Office of the Federal Highway Administration (FHWA) and Region 4 of the Federal Transit Administration (FTA) have reviewed the following documents:

**2018-2022 Transportation Improvement Program (TIP) and
Radcliff/Elizabethtown Metropolitan Planning Organization (MPO)
(MPO approval date of September 26, 2017)**

23 CFR § 450.330 requires a joint FHWA and FTA planning finding that each metropolitan transportation improvement program (TIP) is consistent with the metropolitan transportation plan (MTP) produced by the continuing and comprehensive transportation process carried on cooperatively by the MPO, the State, and the public transportation operator(s) in accordance with 23 USC 134 and 49 USC 5303.

This finding is based on, but is not limited to the:

- Self-certification submitted by the State and MPO under 23 CFR § 450.336,
- Review of the metropolitan transportation plan,
- Adequacy of the public involvement process,
- Reasonableness of the financial plan,
- Relationship of projects in the TIP to the MTP,
- Governor's approval of the TIP

Based upon our review, we find the TIP is in accordance with the provisions of 23 USC 134 and 23 USC 135 and 49 USC 5303.
