Amendment #2018.02**

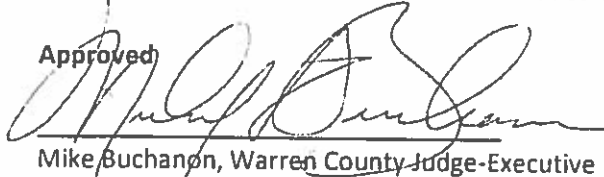

ACTION:

The Bowling Green-Warren County Metropolitan Planning Organization (MPO) hereby amends the FY 2016-2020 Transportation Improvement Program (TIP) to reflect project phases and funding from the Enacted 2018 Kentucky Highway Plan in the biennium and beyond. This amendment moves projects from the Informational Supplement portion of the TIP to the Federally Funded portion and adds new projects under each section (Federally Funded, State Funded - Regionally Significant, and Informational Supplement). The funding revisions related to these amended projects are highlighted in the tables and information provided on the following pages.

Other Information: This action, by reference, also adjusts project descriptions and other details as necessary to the listings of recommended projects in Tables 7.2 and 7.3 of the FY 2016-2040 Metropolitan Transportation Plan (MTP) in order to ensure consistency between the MTP and TIP documents. Additional funding beyond that previously identified in the TIP, has been committed to these projects by the Federal Highway Administration and the Kentucky Transportation Cabinet. Therefore, as reflected in the amended Table 1, the MTP and the TIP remain financially constrained with these amendment changes.

The amended 2016-2020 TIP tables are included on the following pages.

* BR (Bridge Replacement) and PM (Pavement Management) are new funding types utilized by the Kentucky Transportation Cabinet and the Kentucky General Assembly for the 2018 Highway Plan. These funding types include a mix of federal and state funding, but for the purposes of this TIP Amendment, it is assumed that TIP public notice procedures applicable to federally funded projects will apply.
