**Bowling Green – Warren County
Metropolitan Planning Organization**

**Transportation Improvement Program (TIP) FY 2016 - 2020
Administrative Modification #2018.04**

ACTION:

The Bowling Green-Warren County Metropolitan Planning Organization (MPO) hereby modifies the FY 2016 - 2020 Transportation Improvement Program (TIP). This modification reflects the addition of safety improvement projects incorporated into the existing TIP.

ITEM #s: 03-9010.10, 03-9010.20, 03-9010.30, 03-9010.40, 03-9010.50, 03-9010.60, 03-9010.70, 03-9010.80, 03-9010.90

DESCRIPTION: Installation of reflective backplates and other safety features and/or reconstruction of various intersections throughout Warren County to improve safety.

SCOPE OF WORK: Safety Improvements

PHASE: Construction

TYPE OF FUND: SAF

FY: 2018

AMOUNT: See attached tables

Other Information: This TIP Modification modifies specific funding levels listed for SAF projects in Table 1 of the TIP and adds the listed projects to Table 4. HSIP – Low Cost Safety Improvements are project types identified in the Grouped Projects Table of the TIP; therefore a TIP Amendment is not necessary. A listing of Grouped Projects has been included in the TIP allowing planning process stakeholders and the general public to be informed of the types of potential projects that may be added to the TIP and Metropolitan Transportation Plan (MTP) by Administrative Modification. TIP actions for these projects will not require additional public review. The identification of specific projects from the Grouped Projects Table involves a commitment of additional funding for the project by the project sponsor (Kentucky Transportation Cabinet). The additional funding maintains financial constraint of the TIP and MTP documents, and no additional financial constraint analysis by the MPO is needed.

The modified 2016 - 2020 tables are included on the following pages.
