720 East Pete Rose Way, Ste. 420
Cincinnati, OH 45202

Dear Mr. Policinski:

The Kentucky Division Office of the Federal Highway Administration (FHWA) has reviewed the following documents:

Amendment 9B to the 2018-2021 Transportation Improvement Program (TIP) for the
Cincinnati Area Metropolitan Planning Organization
(MPO approval was documented in the June 14, 2018 resolution)

We found that this amendment **includes only exempt projects**. This amendment will not change the regional emissions analysis that was used to support the most recent conformity determination made on November 18, 2016. **Therefore, a new air quality conformity determination is not required under the Transportation Conformity Rule.** If you have any questions, please contact me at (502) 223-6729.

Sincerely,

Bernadette Dupont
Transportation Specialist
