**KYOVA 2040 Metropolitan Transportation Plan (MTP) and the  
KYOVA 2018-2021 Transportation Improvement Program (TIP)**

(For the Kentucky portion: Boyd and Greenup counties which fall under the planning area of the KYOVA Interstate Planning Commission)

On September 21, 2018, KYOVA Interstate Planning Commission issued Administrative Modification #20 to the FY 2018-2021 TIP and the 2040 MTP.

**Modification Description/Justification**

These actions update the previously published TIP projects and tables and serve to bring the TIP up to date with the State Highway Plan. These actions do not impact the financial constraint of the TIP. Two tables annotating the modifications are attached.

The Table with the new projects includes the 40 CFR 93.126 Exempt Project status and the MPO Grouped Project Number, if applicable.

KYOVA Committee members were notified electronically of modifications to the TIP and MTP on September 20, 2018.
