**SUBJECT:** Notification of Administrative Modification #13 to the FY 2017–FY 2020 Transportation Improvement Program (TIP) and Administrative Modification #27 to the 2040 Metropolitan Transportation Plan (MTP)

On October 31, 2018, the Lexington Area Metropolitan Planning Organization issued Administrative Modification #13 to the FY 2017 – 2020 TIP.

**Administrative Modification #13:**

This action updates the previously published TIP document and tables. This modification is considered Grouped Projects\* (Purchase of New Buses) which does not impact financial constraint of the TIP.

The modification is:

- Table 6A – Lextran – add project to purchase three (3) 40’ electric buses. Total project amount is \$2,862,500. Federal funds are from the FTA No or Low Emissions Deployment Program Grant (\$2,290,000 (80%) in federal 5339 funds with a local match of \$572,500 (20%).

\* The identification of Grouped Projects involves a commitment of additional funding by the project sponsor. The additional funding maintains financial constraint of these documents. A listing of Grouped Projects has been included in the TIP allowing planning process stakeholders and the general public to be informed of the types of potential projects that may be added to the TIP by Administrative Modification. TIP actions for these projects will not require additional public review, demonstration of fiscal constraint, or a conformity determination (if applicable).

The updated TIP project details are shown below. *Please note that the amounts are rounded and are expressed in \$1000s.* The Administrative Modification has been posted on the MPO website at [www.lexareampo.org](http://www.lexareampo.org) Please contact me if you have any questions.
