MEMORANDUM

DATE: September 23, 2020
TO: Lexington Area MPO Transportation Policy Committee (TPC) and all TPC Subcommittees
FROM: Max Conyers, MPO Transportation Planning Manager/Executive Secretary
SUBJECT: Notification of Administrative Modification #34 to the FY 2017 – FY 2020 Transportation Improvement Program (TIP) and Administrative Modification #17 to the 2045 Metropolitan Transportation Plan (MTP)

On September 23, 2020, the Lexington Area Metropolitan Planning Organization issued Administrative Modification #34 to the FY 2017 – 2020 TIP and Modification #17 to the 2045 MTP. This modification is considered a Grouped Project* (HSIP) which does not impact the financial constraint of the TIP.

Administrative Modification #34:

This action updates the previously published TIP document and tables, and adds the following project as requested by the Kentucky Transportation Cabinet.

- **ITEM# 7-9023.00:** KYTC-LFUCG Joint Roadway Safety Plan for All Public Roads in Fayette County
 \$350,000 (Planning phase) (\$ 315,000 HSIP (90%) + \$35,000 State Match (10%) in FY 2020)

* The identification of Grouped Projects involves a commitment of additional funding by the project sponsor. The additional funding maintains financial constraint of these documents. A listing of Grouped Projects has been included in the TIP allowing planning process stakeholders and the general public to be informed of the types of potential projects that may be added to the TIP by Administrative Modification. TIP actions for these projects will not require additional public review, demonstration of fiscal constraint, or a conformity determination (if applicable).

The updated TIP table is shown below. The Administrative Modification has been posted on the MPO website at www.lexareampo.org Please contact me if you have any questions.
