Metropolitan Planning Organization
Transportation Improvement Program FY 2019-2024
Administration Modification #8**

ACTION: The Owensboro-Daviess County Metropolitan Planning Organization hereby modifies the FY 2019-2024 Transportation Improvement Program (TIP). This modification reflects the addition of operational transit items for Owensboro Transit System.

DESCRIPTION: Operational Costs
SCOPE OF WORK: Grouped Projects (Transit Operating Assistance)
TYPE OF FUND: CRRSAA section 5310
FY: 2022
AMOUNT: \$78,649

OTHER INFORMATION: This Modification adds new projects to Table 6 of the Owensboro-Daviess County 2019-2024 Transportation Improvement Program to reflect operational costs for the Owensboro Transit System. This project is of a project type identified in the Grouped Projects Table of the TIP; therefore, a formal TIP Amendment is not necessary. A listing of Grouped Projects has been included in the TIP, allowing planning process stakeholders and the general public to be informed of the types of potential projects that may be added to the TIP and MTP by Administrative Modification. TIP actions for these projects will not require additional public review. The identification of specific projects from the Grouped Projects Table involves a commitment of additional funding for the project by the project sponsor (FTA/OTS). This additional funding maintains financial constraint of the TIP and MTP documents, and no additional financial constraint analysis by the MPO is needed.

The modified 2019-2024 table is included with this document.
