**MEMORANDUM**

**DATE:** May 14, 2024  
**TO:** MPO Transportation Policy Committee (TPC) and TPC Subcommittees  
**FROM:** Christopher Evilia AICP, MPO Executive Secretary  
**SUBJECT:** Notification of **Administrative Modification #48** to the FY 2021 – FY 2024 Transportation Improvement Program (TIP) and Administrative Modification #1 to the 2050 Metropolitan Transportation Plan (MTP)

On May 14, 2024, the Lexington Area Metropolitan Planning Organization issued Administrative Modification #48 to the FY 2021 – 2024 TIP and Modification #1 to the 2050 MTP.

**Administrative Modification #48:**

This modification adds one new Grouped Project<sup>1</sup> (Highway Safety Improvement Program projects), which does not impact the financial constraint of the TIP:

**KY 1966 Safety Improvements**

This modification adds the right of way and utility phases for a project to implement low cost safety improvements on KY 1966 (Military Pike) near the Fayette/Woodford County Line.

- 90% federal HSIP funds (\$630,000) + 10% state match (\$70,000) = \$700,000

The construction phase of \$2,000,000 (\$1,800,000 HSIP = \$200,000 state match) is scheduled for FY 2025, which is beyond the current TIP years. It will be added to the upcoming TIP update.

*The modified TIP table is shown on the below. The Administrative Modification has been posted to the MPO website at [www.lexareampo.org](http://www.lexareampo.org) Please contact me if you have any questions.*

<sup>1</sup> The identification of Grouped Projects involves a commitment of additional funding by the project sponsor. The additional funding maintains financial constraint of these documents. A listing of Grouped Projects has been included in the TIP allowing planning process stakeholders and the general public to be informed of the types of potential projects that may be added to the TIP by Administrative Modification. TIP actions for these projects will not require additional public review, demonstration of fiscal constraint, or a conformity determination (if applicable).
