SUBJECT: Notification of Administrative Modification #50 to the FY 2021 - FY 2024 Transportation

Improvement Program (TIP) and Administrative Modification #3 to the 2050 Metropolitan

Transportation Plan (MTP)

On August 29, 2024, the Lexington Area Metropolitan Planning Organization issued Administrative Modification #50 to the FY 2021 – 2024 TIP and Modification #3 to the 2050 MTP.

Administrative Modification #50:

This modification updates an existing project by increasing the cost estimate for the utilities phase and moving the utilities phase from FY 2025 to FY 2024. This is necessary because funding for the utilities phase may need to be authorized before the adopted FY 2025 – FY 2028 TIP goes into effect on October 1, 2024. The state has committed additional funding for this increase, therefore fiscal constraint is not impacted.

North Broadway - Bridge Replacement between Northland Av and New Circle Rd (KYTC Item# 412.00)

- Increase the cost estimate for the utilities phase from \$1,810,000 (\$1,448,000 Federal NHPP funds + \$362,000 State Match) to \$4,105,000 (\$3,284,000 Federal NHPP funds + \$821,000 State Match).
- Move the utilities phase from FY 2025 to FY 2024.

The modified TIP table is shown below. The Administrative Modification has been posted to the MPO website at www.lexareampo.org Please contact me if you have any questions.
