## MEMORANDUM

**DATE:** November 13, 2024  
**TO:** MPO Transportation Policy Committee (TPC) and TPC Subcommittees  
**FROM:** Christopher Evilia AICP, MPO Executive Secretary  
**SUBJECT:** Notification of **Administrative Modification #1** to the FY 2025 – FY 2028 Transportation Improvement Program (TIP) and Administrative Modification #4 to the 2050 Metropolitan Transportation Plan (MTP)

---

On November 13, 2024, the Lexington Area Metropolitan Planning Organization issued Administrative Modification #1 to the FY 2025 – 2028 TIP and Modification #4 to the 2050 MTP.

### **Administrative Modification #1:**

This modification updates an existing project and adds 2 others. Each project are classified as Grouped Projects<sup>1</sup> (Bicycle/Pedestrian Facilities or Safety Improvements), which do not impact the financial constraint of the TIP. These projects were recently awarded federal funding under the KYTC Transportation Alternatives Program (TAP). This modification also adds a project (KY 169) that recently received a commitment of State Construction High-Priority Projects (SPP) funding in the enacted 2024-2030 State Highway Plan.

#### **Lane Allen Sidewalks (MTP ID - 210)**

- Change the RW, UT and CN phases from SLX to TAP and update the phase cost estimates for this existing project. The DN phase will continue to be funded with SLX.

#### **Harrodsburg Rd Trail Sec 1**

- Add this new project from the 2050 MTP to the TIP. The DN phase was already funded under the American Rescue Plan Act (ARPA) and the RW, UT and CN phases will be funded with TAP.

#### **KY 169 Spot Improvements**

- Add this new project from the 2050 MTP to the TIP. The DN phase was funded with SPP in the previous TIP and the RW, UT and CN phases will also be funded with SPP.

*The modified TIP tables are shown on the following page. The Administrative Modification has been posted to the MPO website at [www.lexareampo.org](http://www.lexareampo.org) Please contact me if you have any questions.*

---

<sup>1</sup> The identification of Grouped Projects involves a commitment of additional funding by the project sponsor. The additional funding maintains financial constraint of these documents. A listing of Grouped Projects has been included in the TIP allowing planning process stakeholders and the general public to be informed of the types of potential projects that may be added to the TIP by Administrative Modification. TIP actions for these projects will not require additional public review, demonstration of fiscal constraint, or a conformity determination (if applicable).
