

KENTUCKY

STATEWIDE TRANSPORTATION IMPROVEMENT PROGRAM (STIP) For FY 2017-2020

ADMINISTRATIVE MODIFICATION #2016.106

I. Proposed Action:

Modify the FY 2017-2020 Statewide Transportation Improvement Program (STIP) by adding a Recreational Trails Project to Exhibit A-9 in the STIP.

Location: Statewide

Project Name: Construct motorized Recreational Trails in Kentucky

Applicant: KYTC

ADD: Various

Congressional District: Various

Project Description: Conduct the planning phase, preliminary engineering and environmental, and design phase to identify and development of construction plans to construct motorized Recreational Trails in Kentucky.

RTP Request: \$400,000.00 (Toll Credits as match)

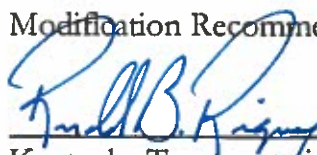

II. Additional Remarks:

The KYTC will be using a Consultant from the "Local Public Agency (LPA) Statewide Consultants to work with Commonwealth of Kentucky Recreational Trails administrator with the planning phase, preliminary engineering and environmental, and design phase to identify and development of construction plans to construct motorized recreational trails in Kentucky. This is the first step in an overall program to better identify and expedite the utilization of Federal Recreational Trails funding allocated for motorized Recreational Trails in Kentucky.

This modification will become part of the 2016 STIP end of Federal Fiscal Year 2017 "fiscal constraint" recalculations.

III. Administrative Modification Approval:

Modification Recommended for Approval:

Kentucky Transportation Cabinet Date

Ronald B. Rigney, Director
Division of Program Management
