This modification addresses project updates located in the Ashland Area MPO which are classified as Administrative Modifications as outlined in the Ashland Area MPO Public Participation Plan (July 2010). Projects listed are already included in the 2009-2013 Ashland MPO Transportation Improvement Program and the 2009-2035 Metropolitan Transportation Plan. Project modifications were taken from the Kentucky Statewide Transportation Program (STIP) Fiscal Years 2011-2014 dated September 2010 and reconciled to ensure accuracy. The projects are within the original project scope and intent and no Resolution or Action is required of the MPO Committees. However, the Ashland Area MPO Technical Coordinating and Policy Committee members were notified electronically of the modification on November 19, 2010 and will be presented formally at the December 9, 2010 MPO Meeting.

Public review is not required nor will any air quality determination be required.
