

KENTUCKY

STATEWIDE TRANSPORTATION IMPROVEMENT PROGRAM (STIP) For FY 2011-2014

ADMINISTRATIVE MODIFICATION #2010.044

I. Proposed Action:

Modify the FY 2011-2014 STIP listing of projects in Exhibit A-5 to add the following project:

- **Location:** Hart County
- **Highway Plan Item Number:** 4-14.00
- **Project Description:** Tennessee state line-Elizabethtown: widen to 6 lanes from 0.1 mile south of the Green River Bridge (B31) to 0.1 mile north of the US 31W bridge (B27)
- **Phase:** Design
- **Type of Fund:** IM and NH
- **Fiscal Year:** 2011
- **Funding:** \$1,080,000 IM
\$1,620,000 NH

II. Additional Remarks:

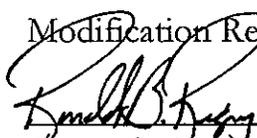

Breakout Design Phase for the project from Item No. 99-337.05 ZVarious "Statewide I-State Routes" IM Funds, located on page 2 of 10 in the ZVarious Section of the STIP.

The funding will be 40% IM funds from the ZVarious Item No. 99-337.05 and 60% NH funds.

The NH funds required will become part of the 2010 STIP end of Fiscal Year 2011 "fiscal constraint" recalculations.

III. Administrative Modification Approval:

Modification Recommended for Approval:

 _____ 2/21/11
Kentucky Transportation Cabinet Date

Ronald B. Rigney, Director
