Mr. Michael W. Hancock, PE  
Secretary  
Kentucky Transportation Cabinet  
200 Mero Street, Room 613

Dear Mr. Hancock:

We have reviewed the May 3, 2012 submittal of the following document:

**Planning Work Program  
SP 0013 (001)  
June 16, 2012 - June 15, 2013  
(2013 SPR Work Program - Subpart A)**

**The activities in the 2013 Planning Work Program were found eligible** under 23 U.S.C. 134, 135, 505 or 49 U.S.C. 5303-5305, 5313(b) and the provisions of 23 CFR 420 and 23 CFR 450. The work program should be administered in accordance with the provisions of 49 CFR Part 18 and 23 CFR Part 420. **The effective time period for funding is from June 16, 2012 – June 15, 2013.** Authorization of this work is subject to the availability of funds.

Prior approval is required for the following changes to the SPR Work Program:

- Budgetary changes,
- Increase in federal funds,
- Cumulative transfer among already approved work program line items of 10% of the total federal funds or \$100,000,
- Programmatic changes,
- Change in the scope or objectives of activities (e.g., adding or deleting items),
- Extending the period of performance past the approved work program period,
- Transferring substantive programmatic work to a third party (e.g., consultant work not identified in the original work program), and/or
- Capital expenditures including purchase of equipment.

There are two additional requirements associated with the SPR Work Program, an

- independent audit and an
- annual performance and expenditure report.

The Single Audit Act Amendment of 1996 requires that an independent audit be completed of any non-federal entity expending \$500,000 or more in Federal funds from all sources in a fiscal year that ends after December 31, 2003. (49 CFR 18.26, OMB Circular A-133).

An annual performance and expenditure report is required to be submitted within 90 days (3 months) after the end of the report period. The report may be more frequent if deemed necessary by FHWA. [23 CFR 420.117 (b) and (c)].

We appreciate the work that went into the development of this work program and thank you for working with our office to make improvements.
