

DRIVER LICENSING REGIONAL OFFICES

CIRCUIT COURT CLERK VOICEMAIL SCRIPT

Beginning **X**, the **x** County Office of the Circuit Court Clerk will no longer provide in-person driver licensing services and residents will need to visit any Kentucky Transportation Cabinet Driver Licensing Regional Office to apply for, replace or renew your driving credential or ID. Kentucky State Police will continue to oversee all driver testing. To find out more about office locations and to schedule appointments, visit kycourts.gov, click the Driver Licensing Tab and select **X** county from the dropdown. As a reminder, driver's licenses can be renewed online or by the mail. To learn more, visit drive.ky.gov.
