

## **Photo Inventory for Danville Connector**

Project Item Number: 7-210

County and Route: Boyle, New Route

Project Description: Extend connector northeast of Danville from KY33 to KY34

Project Manager Contact information (Cabinet): Stuart Goodpaster, Joshua Samples,  
KYTC- D7, 859-246-2355

Project Manager Contact Information (Consultant): Wilbur Smith Associates,  
859-254-5759

Other contacts: Phil Logsdon, KYTC-D7, 859-246-2355

Approximate dates: November 2000

Comments (number of people reached, effectiveness of the technique, what you would do differently, etc.): This exhibit was used at public meetings during the planning phase of the project. It helped people get oriented by identifying specific locations and issues in the project area and relating them to project mapping.

## Appendix B

Images of the study area taken during the field visit of June 15, 2000.
