RS COOPERATIVE PROGRAM
COUNTY AND MUNICIPAL ROAD AID PROGRAM

Road Aid funds are allocated annually for construction and maintenance of your roads.

*There are two ways to receive Road Aid funds:*

1) Monthly through the Kentucky Department for Local Government (DLG), OR

2) Join the ORSR Cooperative Program – *Distribution will be on 60-30-10 schedule*

IF YOU JOIN THE ORSR COOPERATIVE PROGRAM YOU WILL BE ELIGIBLE FOR EMERGENCY FUNDING
NOTE:

This year is a budget year and a census year. We cannot finalize cooperative calculations without the budget and census numbers. The numbers you have received are based on last year’s figures and will be updated as soon as we get final numbers.
The Emergency Fund
THE COUNTY/MUNICIPAL EMERGENCY FUND

**3%**

The 3% withheld from each cooperative participating county or city’s road aid allocation is placed into the County or Municipal Emergency Road Aid Fund. Counties and Cities can apply for funding assistance on emergency projects throughout the year.

**80/20 Match**

The funding process for CRA & MRA Emergency projects is an 80/20 match program meaning the state pays up to 80% of approved total project cost and the local government entity is responsible for 20%. 
EMERGENCY PROCESS: TC 20-16

Application Guidelines:

• Requires application form (TC 20-16)

• Because this is an emergency, **you may begin work at anytime**. However, it is possible that a project may not be approved for funding.

• When a request is approved, notification is sent to the local government and 50% of the approved funding is released immediately. The remaining amount is released after the final project cost has been tabulated (invoices, etc.)

• Project examples: bridge replacement, slide repair, flood damage, etc.

For FY 2021 the initial amount allocated was $16.6 million – $1.6 of which goes to Short-Line Railroad assistance and $5 million of which goes to the Kentucky Pride Fund leaving the DRMA $10 million to assist with your needs. Note: An additional 10 million was added in HB193 only for FY 2021.

• Comparatively, the amount allocated in the previous 4 years (FY 17-20) was $31,000,000 (net of $24,400,000) – a decrease of $14,400,000.
DISCRETIONARY FUNDING (FD39)

- Discretionary Funding projects require a higher threshold of need outside what is met through other Cabinet/Department programs.
