2. The NTA launches, where you can select the ‘Classic – Out of State Transfer’ Title Action:

The screenshot shows the KAVIS Title application interface. At the top, there is a navigation bar with the KAVIS logo and the word 'Title'. Below the navigation bar is a progress bar with 8 steps: 1. Title Information, 2. Vehicle Information, 3. Seller Information, 4. Buyer Information, 5. Lien Information, 6. Registration, 7. Additional Information, 8. Finalize. The 'Title Information' step is active. Below the progress bar is a 'Total Due: \$0.00' box with a 'Continue' button. The main form area is titled 'Title Action' and contains a 'Multi-Transfer' section with 'No' selected, a 'Title Only' section with 'No' selected, and a 'Title Action' dropdown menu. The dropdown menu is open, showing a list of options: 'Select One...', 'Dealer Assignment', 'Certificate of Origin', 'Out-of-state Transfer', 'Other 1st', 'Salvage - Dealer Assignment', 'Salvage - Out of State Transfer', 'Salvage - Certificate of Origin', 'Salvage - Other 1st', 'Forced Registration', 'Classic - Out of State Transfer', 'Classic - Other 1st', 'Rebuilt - Out of State Transfer', and 'Rebuilt - Out of State Dealer Assignment'. The 'Classic - Out of State Transfer' option is highlighted. There are 'Cancel Title Application' and 'Continue' buttons at the bottom of the form area. At the bottom of the page, there is a footer with the Kentucky Transportation Cabinet logo and contact information, and a 'Suggestions / Questions? Contact the KAVIS Team' link.
