Dealership Rollout Schedule

Date	Region
8/7	1
8/12	2
8/19	3
8/26	4
9/2	5
9/9	6
9/16	7
9/23	8

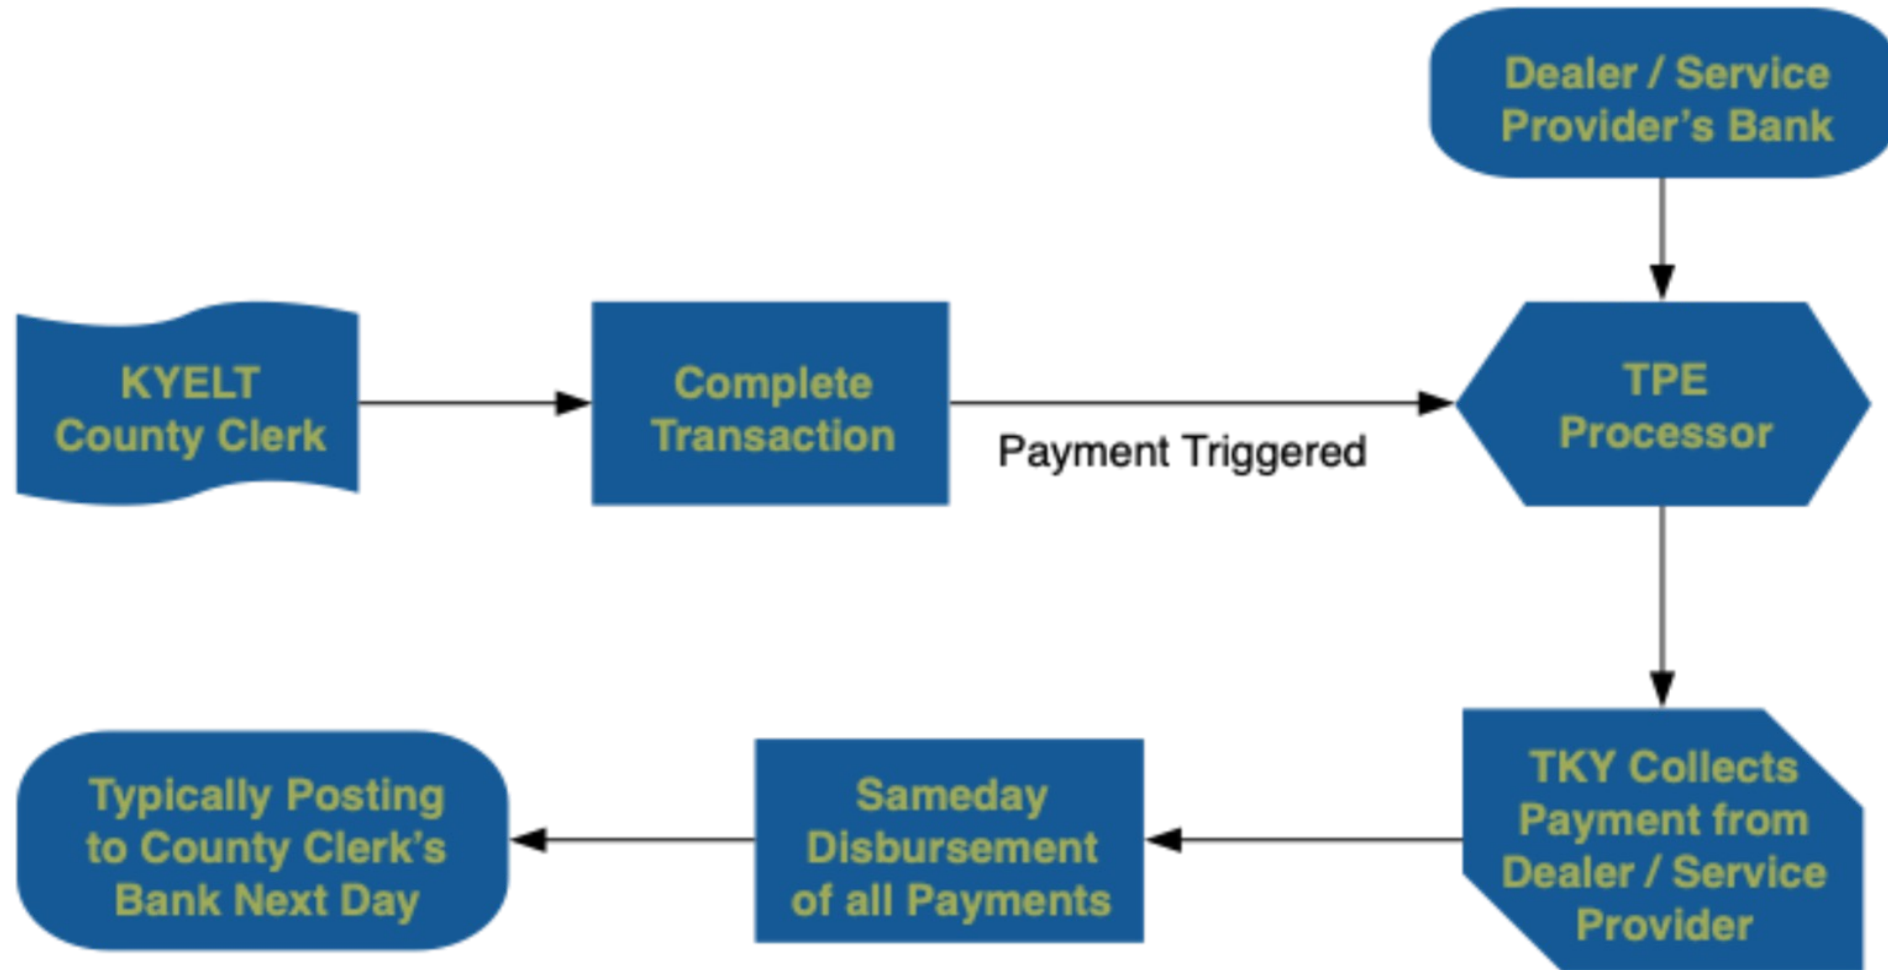

Key Points

1. When your county and dealerships go live it will be incremental - there will not be a huge volume or influx of transactions it will be a slow build up as dealerships roll on one-by-one.
2. If a citizen of your county purchases a vehicle in another county, you still may receive a title or lien to file even before your dealership in your county goes live. If this happens and you need extra support reach out to Carlos (carlos.luna@tylertech.com)
3. The Manual Lien Number Generator in KyELT is available to use as an option for counties. Currently the license type and license number fields are optional; only the VIN is required.

ACH Fund

- Processed Same Day, Funds Posted Next Day (Example: May 2 Fees are Collected, May 3rd Funds are Posted)
