

Homepage

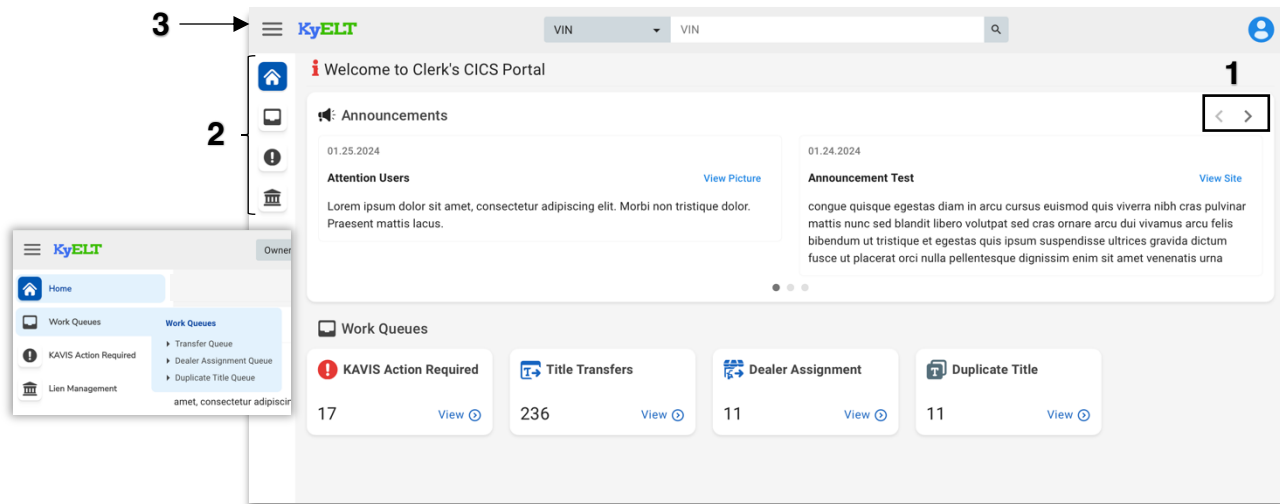

Enhancement Overview:

The homepage has been updated to better utilize space and provide a more intuitive, user-friendly experience with the use of icons.

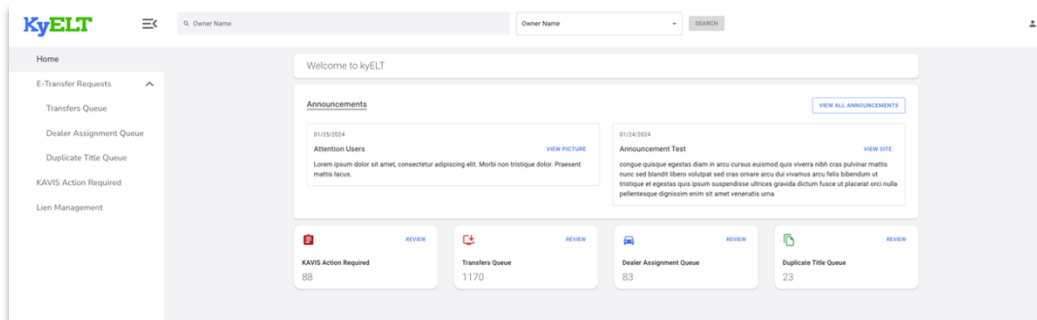

Changes:

1. Announcements now scroll
2. Left navigation defaults to icons; click “≡” to expand the menu
3. Hover to reveal the work queues
 - a. Transfer Queue
 - b. Dealer Assignment Queue
 - c. Duplicate Title Queue

New:

Old:

2

Transfer and Evidence Page

Enhancement Explanation:

The 'Title' page has been redesigned to allow users to approve or reject transfers without switching tabs.

Changes:

- 1. Title and registration details are combined in the 'Title' tab
- 2. Evidence appears on the same page but can also be opened in a new window
- 3. New user actions:
 - a. Expand All 
 - b. Collapse All 
 - c. Open Evidence 
 - d. Collapse Evidence 
 - e. Edit 

New (Default Evidence):

Approval Page

Enhancement Explanation:

A final reminder is now provided to prompt users to confirm all required title information before approving each application.

Changes:

1. A static 'Title Transfer Checklist' is included for new users to help review and confirm each step has been completed.

New:

The screenshot shows the new KyELT interface. At the top, there's a header with the KyELT logo, a search bar for 'Owner Name', and a user profile icon. Below the header, a navigation bar shows the current step 'Title' in a blue circle, followed by 'Fees' and 'Approve'. The main content area is divided into two panels. The left panel, titled 'Application Approval', contains a checkbox for 'I hereby certify to the best of my knowledge that the title application is correct.' and buttons for 'View Evidence', 'Reject', and 'Approve'. The right panel, titled 'Title Transfer Checklist', lists 11 items, each with a checkmark indicating completion: 'Confirm the certificate of ownership is valid and current', 'Confirm vehicle description matches the certificate of ownership', 'Confirm certificate of ownership has been endorsed by the owner and buyer', 'Confirm certificate of ownership matches NMVTIS record', 'Confirm no lienholder is listed and/or confirm lien release evidence matches the lienholder name, address, VIN, and title number', 'Confirm with NICB the vehicle is not listed', 'Confirm all signatures match the endorsement for their respective party', 'Confirm odometer disclosure and reading date match', 'Confirm title brand and odometer brand match the title transfer application', 'Confirm fees and taxes are correct', and 'Confirm the buyer address and county is correct'. A bracket on the right side of the checklist is labeled with the number '1'.

Old:

The screenshot shows the old KyELT interface. The header is similar but lacks the user profile icon. The navigation bar shows 'Title', 'Registration', 'Fees', and 'Approve'. The main content area has a transaction number '000000056908' and a red error message: 'Evidence must be reviewed to continue.' Below this, the 'Application Approval' section is identical to the new version, with a checkbox for certification and buttons for 'VIEW EVIDENCE', 'REJECT', and 'APPROVE'.
