# Asbestos Inspection Survey

To: Tom Mathews

District: Central Office

Date: October 21, 2022

Conducted By: O'Dail Lawson

Report Prepared By: O'Dail Lawson

---

## Project and Structure Identification

Project Number: CID 23-2961

Structure ID: Clark 025B00051N

Structure Location: CR 1017 (Cabin Creek Road) over I-64

Sample Description: Any suspect materials collected were negative for asbestos.

Inspection Date: October 11, 2022

## Results and Recommendations

The results of the samples collected were negative for the presence of asbestos above 1%.  
No abatement is required at this time.

It is recommended that this report accompany the 10-Day Notice of Intent for Demolition ([Notification Form DEP 7036](#)) which is to be submitted to the Kentucky Division of Air Quality prior to abatement, demolition, or renovation of any building or structure in the Commonwealth.
