## Kentucky Motor Vehicle Commission APPLICATION FOR MOTOR VEHICLE DEALER LICENSE

### **Dear Applicant:**

The enclosed is furnished in response to your request for an application for a motor vehicle dealer license. It is essential that you follow the instructions in this letter and in the application in detail to ensure timely processing of your application. *The application must be legibly printed.* An incomplete application will be returned.

Item #1—Refers to the type of license required. (See attached definitions of licenses.) A dealer may require more than one license depending upon the scope of his/her business. For example, a franchised new motor vehicle dealer who also leases vehicles would place a mark in the bracket next to "New Motor Vehicle Dealer" and in the bracket next to "Motor Vehicle Leasing Dealer." The fee in this case would be four hundred dollars (\$400.00).

- A dealer who sells an operable, road-worthy used motor vehicle, which is on a regular or rebuilt title, must have a "Used" or "Wholesale" motor vehicle dealer license. If that dealer also dismantles, salvages, or recycles salvage vehicles for the purpose of harvesting used parts, components, assemblies, and recyclable materials for resale, reuse, or reclamation, he or she must also have the "Restricted/Automotive Recycling Dealer" license, in addition to the other license(s).
- A dealer who sells vehicles with regular or rebuilt titles, and who also dismantles, salvages, or recycles salvage vehicles for the purpose of harvesting used parts, components, assemblies, and recyclable materials for resale, reuse, or reclamation, must have both endorsements on the license, if he or she carries on both activities at the same location. If he or she sells motor vehicles from one lot and recycles vehicles to harvest parts at another, a separate license must be obtained for each location.

Item #2—Revenue Cabinet sales tax permit number may be obtained by visiting or writing the Revenue Cabinet at 501 High Street, Frankfort, Kentucky. The telephone number for that office is (502) 564-3306.

Item #3 — The trade name under which the dealership will be operated must incorporate the words "used cars," "auto sales," "auto mart," "motor sales," or other similar wording which clearly identifies the business as a motor vehicle sales business. This trade name must be the exact wording as that listed on the dealership sign (retail only) and on your insurance filing. It is much simpler for you to operate under your own name (such as John B. Jones Auto Sales). However, if you wish to use an assumed name, you must provide the following: (A) Sole proprietor applicants wishing to operate under an assumed name must submit a certified copy of an assumed name certificate (the certification is performed by the county clerk and the form is included in this application package on Page 6), (B) All corporations and partnerships wishing to operate under an assumed name must file an assumed name certificate with the Office of the Secretary of State (telephone number 502-564-3490) and with the county clerk and furnish a copy with your application to this office along with Articles of Incorporation. The form to be used is page 6A.

Item #4—List the name(s) and percentage(s) of ownership of each owner, partner, or corporate officer.

Item #5—The address of the established place of business must identify the exact location of the business and must also have a mail drop. "Established place of business," as defined in Chapter 190 of the Kentucky Revised Statutes means: "A permanent, enclosed, commercial building located within this state easily accessible and open to the public at all reasonable times, and at which the business of a vehicle dealer, including the display and repair of vehicles, may be lawfully carriedon in accordance with the terms of all applicable building codes, zoning, and other land use regulatory ordinances."

Items #6, #7, #8, #9 and #10—Self-Explanatory.

**Pages 2 and 2A**—*Financial Statement.* Complete the financial statement in detail, as accurately and as completely as possible. Improperly completed statements will cause a delay in approving the license or may lead to a bond requirement or denial. Listing liabilities is as important as listing assets. If there are no liabilities, supply a separate statement to that effect. In addition to the financial statement, the applicant may be required to post a bond up to one hundred thousand dollars (\$100,000).

## Kentucky Motor Vehicle Commission APPLICATION FOR MOTOR VEHICLE DEALER LICENSE

**Page 3**—Be sure submitted photos are in color and of good quality. Wholesale applicants may omit photo number one of the sign.

**Pages 4 and 4A**—The Personal Data form and the Waiver Release form may be reproduced, if required, for additional partners or corporate officers.

Pages 6, 6A, 6B, 7 and 8—Self-Explanatory.

**Page 9**—Only those applicants for the Restricted/Automotive Recycling Dealer License need to provide the information specified on this page.

Additionally, the dealer license fee(s), salespersons license fee(s), and insurance are not required prior to approval of your application.

The salesperson license(s) will be provided to you by the Motor Vehicle Commission upon receipt of your application. Each license should be legibly printed, and there is a \$40 fee for each license. Each different type of dealer requires salespersons to be licensed, except if restricted/recycling only. All owners/partners of a dealership are also required to be licensed as salespersons.

**SEPARATION OF FACILITIES**—If you or any other person conducts another business from the location for which the dealer license is used or applied for, your display lot/customer parking area must be separate and apart from what is used for the other business. Your office need not be a separate walled enclosure, but it must be a separate defined area with office furnishings. If there is any question about separation, the Commission may require installation of a physical barrier that does not allow flow-through traffic between the different businesses.

A dealer who operates at more than one location must have a dealer license for each location. This includes separate building franchises.

Mail the completed application to the Motor Vehicle Commission office at the address listed below with a processing fee of one hundred seventy-five dollars (\$175.00); in addition, enclose a fee of twenty-five dollars (\$25.00) for each owner, partner, or corporate officer listed on Page 1 of the application to conduct a criminal background check. Make all checks payable to the "Kentucky State Treasurer." Each application will be reviewed to determine completeness. The Motor Vehicle Commission meets once a month and applicants will be notified by mail of the Commission's decision.

Sincerely,

Motor Vehicle Commission 200 Mero Street, 3<sup>rd</sup> Floor West Frankfort, Kentucky 40622 (502) 573-1000 **NOTE:** Your application must be received at least ten (10) **working days** prior to the Commission Meeting at which it is to be considered. (The allotted 10 **working days** do not include weekends, holidays, or the day of the meeting.) The Commission meets the second Friday of each month, but the date may be change due to holidays or bad weather. For an application cut-off date, please call our office at (502) 573-1000.

The Kentucky Motor Vehicle Commission does not discriminate on the basis of race, color, national origin, sex, age, religion, or disability and provides, upon request, reasonable accommodation including auxiliary aids and services necessary to afford an individual with a disability an equal opportunity to participate in all services, programs, and activities.

### **FINANCIAL STATEMENT**

Note: It is very important to complete this statement as accurately and completely as possible. Improperly completed statements can cause a delay in approving your license or may lead to a bond requirement. Listing liabilities is as important as listing assets. Applicants must demonstrate a minimum of \$100,000 of liquid assets and/or \$50,000 unencumbered cash in the business as well as \$50,000 unencumbered motor vehicle inventory as acceptable. The Commission would accept unencumbered real estate, owned by the applicant, as at least a part of the acceptable means of achieving the minimum assets. Commercial bonds will be required for the difference of shortfall on the cash, inventory and/or real estate meeting the \$100,000 minimum.
