2. Charlie Meyer, User Division
3. John Sacksteder, User Division
4. Kenneth Sperry, Secretary's Pool
5. Daryl Greer, Secretary's Pool
6. Huston Wells, Governor's Pool

DBE REQUIREMENT None

SPECIAL INSTRUCTIONS

The Department reserves the option to modify the selected consultant's agreement to include any necessary engineering and/or related services for this project. The firm(s) will at that time be prequalified by the Department in the required area(s).

The selected firm must have on staff or contract with an architect with building design experience. **This architect should be identified in the Consultant's response to announcement.**

SCOPE

The selected Consultant will be required to provide engineering and related services for the completion of plans for two (2) new rest areas including right of way plans, right of way plans for utilities, construction plans, building plans, landscaping plans, sewer plans and water plans.

AVAILABLE KTC STUDIES

An Interstate Safety Rest Area Study, prepared by the Division of Planning, March, 1991, is available for review in the Division of Professional Services, Room 610, State Office Building, Frankfort, Kentucky, between the hours of 9:00 a.m. and 3:00 p.m. (EDT) from July 14, 1998 until August 13, 1998. Consultants may obtain copies of these studies from Lynn Copies, 1122 US Highway 127 South, Frankfort, Kentucky 40601. Phone: 502/875-8341. Studies will cost \$15.00 per copy.
