

A REQUEST FOR PROPOSAL FOR PERSONAL SERVICES CONTRACT

Department of Highways Professional Services Procurement Bulletin 2012-09 Statewide Design of Culvert & Bridge Structures

This document constitutes a Request for Proposals for Personal Service Contract from qualified individuals and organizations to furnish those services as described herein for the Commonwealth of Kentucky, Department of Highways.

I. PROJECT DESCRIPTION

Statewide Design of Culvert & Bridges under 500 ft span.

II. PROJECT INFORMATION

Project Manager – William McKinney, P.E.

User Division – Structure Design

Approximate Fee - \$750,000 upset limit (per consultant)

Projects to be assigned by letters of agreement not to exceed \$250,000.00 each

Three Consultants to be selected

2 Year contract term

Project Funding – State and/or Federal Funds

III. PURPOSE AND NEED

To assist with the Department of Highways Division of Structural Design with structural engineering and design.

IV. METHOD OF DESIGN

Design shall be by American Association of State Highway and Transportation Officials (AASHTO) Load Resistance Factor Design (LRFD) Specifications, unless otherwise stipulated by the Project Manager. The selected consultant shall utilize the Computer Aided Design & Drafting (CADD) Standards for Bridge Design. All submittals shall be in the form of a CADD deliverable. The CADD deliverable shall be in Microstation V8, dgn format, using Division of Bridge Design File Format, Seed Files, Cell Files and Resource File. Iplot organizer will be required for plotting final mylars. Eight person-hours will be allocated for this task. Design by AASHTO LRFD Specifications will be required on new projects. No additional hours will be allowed for LRFD designs.

V. SCOPE OF WORK

Structural design services for structures that have not otherwise been assigned to consultants and/or cannot be designed in-house.

The required consulting services will include all final structural design engineering and plan preparation necessary for letting a project to construction.

VI. SPECIAL INSTRUCTIONS

Three (3) firms will be selected to provide these services. The contract period is each firm receiving a two (2) year contract. Contracts will have an upset limit of \$750,000 once the upset limit is reached or the two year term has expired, services will be re-advertised and no additional work assignments will be made under the contract. Contracts will not be modified to increase upset limit or extended for time to assign new work. No letter of agreement shall exceed \$250,000.

The selection committee will randomly draw for the pool and list in consecutive order to determine the initial order for which a project will be offered. Projects will be offered to firms on a rotating basis. A firm will not be offered an additional project until the remaining firms on the list have been offered a project. If a firm declines to accept a project or does not respond to an invitation to perform services for a project within fourteen days, documentation shall be placed in the project files and the next firm on the rotating list shall be offered the project.
