

# **A REQUEST FOR PROPOSAL FOR PROFESSIONAL SERVICES CONTRACT**

## **Department of Highways Professional Services Procurement Bulletin 2022-03 Statewide Roadway Signing Plans Services**

This document constitutes a Request for Proposals for a Professional Service Contract from qualified individuals and organizations to furnish those services as described herein for the Commonwealth of Kentucky, Department of Highways.

### **I. PROJECT DESCRIPTION**

This statewide contract is to provide necessary Roadway Signing Plans Services. One (1) consultant will be selected to provide these services on an as-needed basis for two years.

### **II. PROJECT INFORMATION**

Project Manager - Jason Hyatt, P.E.  
User Division - Traffic Operations  
Approximate Fee - \$250,000 per contract (Upset Limit)  
Work will be assigned via Letter Agreement, not to exceed \$100,000  
Project Funding - State and Federal Funds  
Contract Term - Two Years

### **III. PURPOSE AND NEED**

To provide consistent permanent signing plans and checking of signing shop drawings for the Department and to provide other signing-related services as needed. The Consultant will be selected to develop permanent roadway signing plans for inclusion into KYTC projects.

### **IV. DBE REQUIREMENT**

The Consultant team shall include a DBE Participation Plan with their Response to Announcement to help the Department meet the 11.95% DBE goal established by FHWA. The plan needs to demonstrate how DBE companies will be mentored or used to assist in the area(s) pertaining to this contract. An additional page will be allowed in the Project Approach (Page 7) to demonstrate this plan. A maximum of 4 points will be considered in the Evaluation Factors for the DBE Participation Plan.

### **V. METHOD OF DESIGN**

The selected Consultant shall utilize the current CADD standards for Highway Plans policy in the development of Highway Signing Plans.

## **VI. SCOPE OF WORK**

The selected Consultant(s) will be required to work with the Division of Structures in the development of overhead sign structures. The Division of Traffic Operations will be responsible for the review of the signing plans to determine compliance with the MUTCD. Some proposed sign locations may require a survey in order to develop a cross section for the design of the sign support.

Agreements will be prepared to provide engineering services as needed for the development of signing plans. The selected Consultant will be responsible for working with the Kentucky Transportation Cabinet, Division of Highway Design, District Project Development Offices, FHWA, and other consultants to provide permanent roadway signing plans for the Department. Required services will include:

1. Development of signing plans in accordance with the MUTCD.
2. Investigation and development of cross sections in order to design beams for ground mounted signs, and to provide design data to the Division of Structures for the development of overhead sign structures.
3. Preparation of estimates and quantities for letting plans.
4. Design of ground mounted sign beams (Type A and Type C), and posts (Type D).
5. A recommendation for roadside safety as it pertains to the sign structures.
6. Checking of sign shop drawings.

The scope of work is intended to serve the needs of the Roadway Signing Plans program by utilizing the prequalification categories listed in this advertisement. However, the Department may supplement any ancillary engineering-related service which is deemed necessary by the Department's Project Manager and for which the Consultant is prequalified to provide services.

The selected Consultant will be required to work with the Division of Structures in the development of overhead sign structures. The Division of Traffic Operations will be responsible for the review of the signing plans to determine compliance with the MUTCD. Some proposed sign locations may require a survey in order to develop a cross section for the design of the sign support.

## **VII. SPECIAL INSTRUCTIONS**

One (1) consultant will be selected to provide these services for a period of two (2) years with no new work assigned after two years from the Notice to Proceed, although the contract may be extended for time to complete work already assigned. Contracts will have an upset limit of \$250,000. Once the upset limit is reached or the two year term has expired, services may be re-advertised and no additional Letter Agreements will be executed under the contract. Contracts will not be modified to increase the upset limit or extended for time to assign new work. No Letter Agreement shall exceed \$100,000 without written approval from the State Highway Engineer.
