Dear Mr. Peterson:

The Kentucky Division Office of the Federal Highway Administration (FHWA) and Region 4 of the Federal Transit Administration (FTA) have reviewed the Kentucky portion of the following planning document:

2019-2024 Transportation Improvement Program (TIP) for the
Bowling Green-Warren County Metropolitan Planning Organization (MPO)
(MPO approval date of September 30, 2019)

We found that it meets the federal planning requirements of Title 23 USC Sections 134 and 35, and Title 49 USC Section 5303.

23 CFR 450.330 requires a planning finding that each TIP is consistent with the metropolitan transportation plan (MTP) produced by the continuing and comprehensive transportation process carried on cooperatively by the MPO, the State, and the public transportation operator(s).

Our finding is based on, but is not limited to the:

- Review of the metropolitan transportation plan,
- Adequacy of the public involvement process,
- Reasonableness of the financial plan,
- Relationship of projects in the TIP to the MTP,
- Governor's approval of the TIP

Please contact Eric Rothermel at (502) 223-6742 if you have any questions.

Sincerely yours,

John D. Ballantyne
