MEMORANDUM

DATE: January 13, 2020
TO: Lexington Area MPO Transportation Policy Committee (TPC) and all TPC Subcommittees
FROM: Max Conyers, MPO Transportation Planning Manager/Executive Secretary
SUBJECT: Notification of Administrative Modification #24 to the FY 2017–FY 2020 Transportation Improvement Program (TIP) and Administrative Modification #7 to the 2045 Metropolitan Transportation Plan (MTP)

On January 13, 2020, the Lexington Area Metropolitan Planning Organization issued Administrative Modification #24 to the FY 2017 – 2020 TIP and Modification #7 to the 2045 MTP.

Administrative Modification #24:

This action updates the previously published TIP document and tables. This modification is considered Grouped Projects* (Bicycle and Pedestrian Facilities) which does not impact financial constraint of the TIP. This modification shifts funding between phases and does not affect the overall cost. The modification is:

Table 6A – LFUCG – Citation Trail:

Shift \$39,800 in funding (\$31,840 TAP/ \$7,960 Local) remaining in the design phase to the construction phase.

* The identification of Grouped Projects involves a commitment of additional funding by the project sponsor. The additional funding maintains financial constraint of these documents. A listing of Grouped Projects has been included in the TIP allowing planning process stakeholders and the general public to be informed of the types of potential projects that may be added to the TIP by Administrative Modification. TIP actions for these projects will not require additional public review, demonstration of fiscal constraint, or a conformity determination (if applicable).

Updated TIP tables are on the following page. The Administrative Modification has been posted on the MPO website at www.lexareampmo.org Please contact me if you have any questions.
